Do you currently shop at the West. Farmer's market on Wed.

What is your home and work zipcode or city

Would you shop at a Westchester Farmer's market in the Triangle on Sundays from 9 to 2

I wouldn't ask much else at this point...that way he could say...do you have a minute for 3 quick questions about a new farmer's market?

What questions were you looking to answer with a survey? Here's some thoughts...

- > Would you support a Farmer's Market on Sunday on 87th Street?
- > Would you shop at a Farmer's Market on Sunday on 87th Street?
 - If yes, how often would you shop at the 87th Street Farmer's Market?
- > What kinds of purchases would you like to make at a Farmer's Market on Sunday on 87th Street?
 - Vegetables?
 - Crafts / hand made items?
 - Food booths?
 - Fish?

Street?

I'd kind of cooled on the idea of a survey because I'm not sure how much of any real value we will learn. But, if a survey would be of value to you, I'll put it back on the front burner. Remember that Steve will be distributing a petition looking for 100 signatures of support for the FM.

Let me know your thoughts on survey questions. Thanks.

We talked about having Steve Rhodes do a survey of shoppers re Sunday Farmer's Market...maybe we could consider doing that and compiling the data before the next BID meeting?

It does not seem that we are going to be able to open in June.

Hi Don,

I just tried to call and leave a message but your mailbox is full. I wanted to let you know that when Mason, Edgar and I spoke to some of our board members to get their reaction to the terms of your proposal privately, they were not enthusiastic about the draft Market Partnership Term Sheet. I did not present it to the full board at Monday's board meeting. We are working on a counter proposal but Mason and Edgar leave for Japan on Sunday and will be back in ten days. We plan to address the matter further when they return. I hope you have an enjoyable Holiday Weekend
